

Webinar 2 - Denise Roberts

Denise Roberts, Curriculum Specialist, English, Australian Curriculum, Assessment and Reporting Authority (ACARA) is responsible for the Australian Curriculum: English. Denise coordinated the development and review of the F–10 Australian Curriculum: English and collaborated on the development of the National Literacy Learning Progressions Version 3.0. Denise has previously worked as a teacher of English and with targeted programs for students with specific learning needs. She has been a head of department, whole school literacy coordinator, and a professional learning team leader.
