

Webinar 10: Nature Play | Maximising the Benefits to Enrich Culture & Space Development

Jason Tyndall, General Manager, Nature Play SA

Jason Tyndall is a father, experienced environmental educator, and General Manager at Nature Play SA – a South Australian not-for-profit organisation that supports wellbeing and connecting with nature through outdoor learning and play. Jason works closely with educators, parents, and children on enriching their teaching and learning through building knowledge and capacity to invest more time in the outdoors. Jason advocates for nature to be key part of childhood at home and through learning environments.
